Each month, Outreach is brought to you by our team of volunteer “deliverers” who receive their quota and duly make sure it gets through your letterbox as quickly as possible...

In the background, Outreach “staff” number just four people, all of whom have had associations with production for over 20 years !!

The time has come to recruit some new blood!

For now we need to fill two roles:

Advertising Manager. Income from advertising and the Parish Council allows the newsletter to be free. Primrose Williamson, who has handled all our advertisers since before anyone can remember, assures me that this is not an onerous duty, sending reminders when required and generally being a friendly point of contact when details change.

Distribution Manager. The link between Cherwell Graphics and the delivery team. Each month around 400 copies of Outreach are delivered/collected when ready and divided up into bundles. A car run of 15 miles or so, with about 20 drop-offs, takes Ann & me about an hour and a half.

**If you think you could help with either of these jobs,
PLEASE contact me and I can provide more information
and answer any questions.**

This month's cover ..

In the absence of offerings from “others”... (you know who you are!) I snapped this Spindle tree, now showing well in our garden. The seeds really are this unbelievable carmine pink! In a week or two we'll have the bright orange seeds in view as well.

Please keep the photos coming in - **everyone**; Remember...

Outreach depends on YOUR contributions.

If you have events, clubs, sports, activities - anything at all, please get in touch and we'll see what we can do.

PARISH POSTING

The process of finding a new rector is progressing slowly. The PCC has submitted a Parish Profile for approval by the Diocese and a meeting is scheduled with the Archdeacon next week to discuss it before an advertisement for the position is placed in the church press, which should be published in early November, inviting applications by a deadline early in the New Year, with the interviews planned for early February. It is unlikely that the new rector will be in post before some time in May, unless we are lucky enough to find a suitable candidate who is ready to start sooner. In the meanwhile, we are being well supported by visiting clergy who are taking our weekly services and we particularly look forward to Bishop Gavin officiating at next week's service at Kiddington.

S PLOSH
YOUR WAY

TO LESS PLASTIC WASTE

When you're doing your daily / weekly / monthly / yearly* house clean, have you counted up just how many different bottles of products you use? Loo cleaner, bathroom cleaner, kitchen cleaner, glass cleaner, surface cleaner ... all contained inside handy plastic bottles that you can put into your recycling bin and cross your fingers that they will actually get recycled and won't end up in a huge dumping ground somewhere in Indonesia.

(* delete as appropriate)

But what if you could re-use those handy plastic bottles instead? Well, you can! A company called Splosh supplies concentrates of cleaning liquids in small pouches. You just refill your empty bottles with some of the concentrate, top them up with hot water, give them a shake and get cleaning! Wootton Stores has a range of Splosh products on sale now, and a little box for posting your empty pouches into. Those pouches actually do get recycled into new products too. Come and give it a go!

Please do not feel hesitant, or reluctant to apply for help. Your application will be treated in strict confidence.

If you would like further information, or wish to make an application, please contact:

Alternatively if you know of anyone who has a specific need, please pass on this message.

LIFE'S EVENTS

Joan Thomas would like to thank everyone who sent her cards and sympathy in condolence on the death of her son Mark.

Sadly, there have been two recent deaths in our close community during the past month. Vic Williamson moved to Wootton some years ago, with Primrose, and they soon settled into the village and shared in its life. A straightforward person, he enjoyed meeting people, and having what he would call "a good conversation!" The good number of people attending his funeral service demonstrated the love and affection in which he is held by his family, community, and others who worked with him during his career in Advertising and Publicity. To Primrose, Ralph (his son who is Rector of Stonesfield) and family, we give our love and sympathy in their bereavement.

Peter McGee married Holly and became a committed member of the Parsons family and settled well into the wider community. However, he never lost his love for his native Scotland, and kept in touch with family and friends there. A very sociable person with a delightful sense of humour, he

loved to meet with us and share time and talk! Living in Radford, Peter and Holly were involved in both this parish and Enstone and worshipped regularly in all our churches. Our love and sympathy go out to Holly, Nancy, Lee, and his wide circle of family and friends. If you would like a special event, birthday etc to be included in Life Events please contact me by the 15th of the month for next month's publication.

WOOTTON VILLAGE HALL TALKS

During the Queen's seventy years on the throne, she remained largely unchanged - dressing and speaking pretty much the same. But during those times there was a vast amount of social change, with each decade creating its own identity. This was the theme of MATTHEW ENGEL'S talk on September 30th - as featured in his latest book, called *The Reign*. Matthew delivered his talk to a packed hall - even before the book was officially launched in London - with his renowned wit and perception on full display. Proceeds from the evening totalled over 500 Pounds and were donated to the Ukraine Humanitarian Appeal. Our next speaker at 7.30pm on Friday November 25th is PAUL ATTERBURY - a regular member of the team of experts on the BBC's *Antiques Roadshow*, which has appeared on our screens for forty years and become one of the nation's most popular television programmes. It has featured hundreds of unique stories over the years, and Paul

N EWS FROM WOOTTON PC

The next meeting of the Parish Council will be on 14 November at 7.30 in the Village Hall. This is the meeting at which the budget and council tax level for next year will be set. We had a preliminary

discussion on the budget for next year at our October meeting, as there are difficult choices to be made if we are to continue to provide our local services and support local organisations. We need to rebuild our reserves, which have been used to bring the Burditch Hall back into use, cope with increasing costs being charged to us (for example for grass cutting, emptying litter bins, etc.) and meeting the requests for grant aid from local village organisations which rely on our support. We reviewed the level of the parish council tax which we pay here in Wootton and found that it is among the lowest in the county. We have therefore decided at this point that after several years of the tax remaining at the same level, we do need to think about an increase for next year. The decision on how much will be made at the November meeting, when we have all the requests for grant aid available for us to consider.

Meanwhile, we are waiting for the District Returning Officer to announce the date for the election to fill the vacancy left by Joan Thomas's retirement. At the time Outreach went to

press, it had still not been announced but, when we hear, notices will go up on the notice board, in the shop, and on our website

woottonparishcouncil.com

And don't forget, lots of other information as well as the agendas and minutes of meetings is easily available on our website

Thanks to Martin Eastaugh for an excellent Outreach quiz at the Killi. Well done to the Panty-Liners for a convincing win, with Red and Ginger and Pickled Brians in joint second place. It helped to be able to name pop stars and pigs, and of course to know the Ten Commandments!

A THEATRE SUPPER EVENING

If you, dear reader, can cast your mind back to the early spring of 2020, you might recall reading in this very publication of that time, that it had been proposed to mount an evening of a theatrical production to include a supper, to be held towards the end of March that year, and tickets for the event had gone on sale in Wootton Stores.

However, world event forces intervened, you may also recall, and all plans for the evening had to be cancelled, along with so much else, as we were thrown into the beginnings of the coronavirus pandemic.

But the appetite for such an event remained keen among cast members - and also some loyal would-be audience members – the three actors had been word perfect and were honing their performances towards perfection under the eagle eye of their playwright/director.

Such was their enthusiasm, a revival of that idea had had breath anew breathed into it, which means we are able, dear

reader, to invite you to rebook for a one-off-only Theatre Supper Evening to be held in Wootton Village Hall on Saturday, November 26th.

Tickets, limited in number, due to the requirements of space needed for an interval supper to be served at your seats, are available at Wootton Stores for £20 – all profits going to church funds.

The doors will open at 7.00pm for drinks and the first play, called “It’s a Wise Child”, will be performed at 7.30pm. Supper, comprising shepherd’s pie followed by trifle, will then be taken, the evening being completed by a monologue following the style of Alan Bennett’s famous “Talking Heads”, entitled “Oh Danny Boy”. Local villagers, Ian Murchie, Bernadette O’Brien, and Stephen Jones appear in the first production, written by Nicholas Tomlinson, and the monologue, which follows the supper, from the same pen, will be performed by him also.

Autumn has officially arrived in Wootton!

The children at Wootton By Woodstock Primary School have been out and about looking for signs that Autumn is here and they were not disappointed on a recent walk to the wonderful meadows in Wootton.

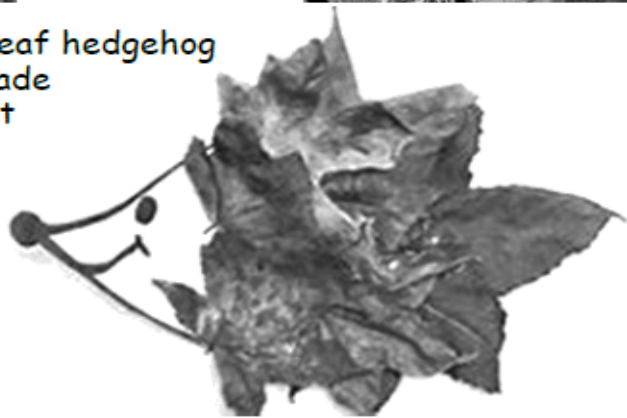

They spotted lots of amazing coloured leaves and enjoyed talking about why the leaves change colour and fall off the plants.

The children then decided to collect some of these wonderful Autumn leaves and create pictures with them when we got back to school.

Here is an Autumn leaf hedgehog that the children made using the leaves that they had collected.

WILD BEES AT HORDLEY

For many years we have had bees in the roof at Hordley. They got into the attics and died in large numbers so we put up this artificial hive last autumn. It is a hollowed out Douglas Fir log with a lid at top and bottom and three entrance/exit holes. It was occupied within six months and the bees in our attics have all disappeared. As a result, a number of people have expressed interest in putting up a log hive. Please contact us for details.
